A great place to live.

Cosy and spacious: half-dinette seating lounge with 50 cm-wide swivel table. The backrest offers maximum travelling comfort. The fabric wall panelling is sound-absorbent and breathable, creating a pleasant atmosphere inside the vehicle.

- 1 The kitchen features a variety of shelves as well as a fixed tap. The large handleless drawers can accommodate all kinds of kitchen utensils and are equipped with a central locking system.
- 2 The standard compressor fridge has a capacity of 131 litres.

1 2

A real shower room.

The unique centre bathroom offers plenty of space and privacy.

- 1 A waterless Clesana toilet can be factory-installed upon request. Disposal of the sealed collection bags is clean, convenient, germ-free and completely odourless. This system uses no water or chemical additives. (Check availability with your Dethleffs dealer.)

Your canopy bed on wheels.

Two comfortable single beds (left: 2.02 m x 0.8 m, right: 1.92 m x 0.75 m), each with a wooden slatted bed frame and a 15 cm-thick EvoPore mattress, ensure exceptional comfort while sleeping.

- 1 Various shelves and lights in all the right places create a pleasant ambience.
- 2 Two illuminated wardrobes provide ample space for all your personal travel items.

Even more comfort.

Numerous thoughtful details make driving and camping with the Globebus Performance 4x4 simply a pleasure. Its stylish, elegant ambience and sensible, practical equipment are designed to make your life on the road easier.

- 1 The Grünbeck water filter guarantees clean water no matter where you fill up your fresh-water tank.
- 2 The 32" screen can be pulled out towards using a telescopic mount. The standard 5G WLAN router from Campernet ensures fast and secure data transmission.
- 3 The standard 70 cm-wide habitation door, together with the electric step, makes it easy to enter and exit the vehicle. A viewing window and a fly-screen door are also included as standard.
- 4 The spacious rear garage is lined with aluminium chequer plate and includes shelves and a practical lashing system.

The Globebus Performance 4x4 in your pocket.

The Dethleffs Connect App not only lets you control important vehicle functions, but also gives you access to exclusive extras such as accessory deals, route planners, places of interest and much more.

Please note that the pictures in this catalogue may depict alternative designs or optional equipment and accessories that are only available at additional cost. For information about specifications, equipment and prices please refer to the technical information. Or simply ask your Dethleffs dealer. Colour deviations are possible due to the printing process and different output devices.
