Your Globetrail in your pocket.

The Dethleffs Connect App not only lets you control important vehicle functions, but also gives you access to exclusive extras such as accessory deals, route planners, places of interest and much more.

A great place to live.

Cosy and spacious: half-dinette seating lounge with 50 cm-wide swivel table.

- 1** The bench seat includes a backrest with tilt adjustment for maximum travelling comfort. The fabric wall panelling is sound-absorbent and breathable, creating a pleasant atmosphere inside the vehicle.
- 2** The kitchen features a variety of shelves as well as a fixed tap. The large handleless drawers can accommodate all kinds of kitchen utensils and are equipped with a central locking system.

A real shower room.

The unique centre bathroom offers plenty of space and privacy. The blind separates the bathroom from the living room and bedroom. There is no step between the bathroom and passageway.

- 1 The sink can easily be folded away to create extra space.
- 2 Exclusive to the Globetrail: a floor-level shower.

Your canopy bed on wheels.

The extra-large mattress (2.00 x 1.40 m) allows two people to sleep in total comfort in the Globetrail. The spring plate system comfortably supports the spine.

- 1 Various shelves and lights in all the right places create a pleasant ambience.
- 2 The bed can be easily converted into a large storage space without the need to install or remove rails or slats.

Even more comfort.

Many thoughtful details make driving and camping with the Globetrail Performance simply a pleasure. Its stylish, elegant ambience and sensible, practical equipment are designed to make your life on the road easier.
